We believe we are the original, first and joint inventors of the subject matter  
which is claimed and for which a patent is sought on the invention entitled NOZZLE

ASSEMBLY REMOVAL DEVICE the specification of which

is attached hereto  
 was filed on September 18, 2001 as Application Serial No. 09/955,713 was  
amended on \_\_\_\_\_

We hereby state that we have reviewed and understand the contents of the  
above identified specification, including the claims, as amended by any amendment  
referred to above.

We acknowledge the duty to disclose all information which we know to be  
material to patentability of this application in accordance with Title 37, Code of Federal  
Regulations §1.56(a).

We hereby declare that to the best of our knowledge and belief, the invention  
forming the subject matter of this application has never been known or used in the  
United States before our invention or discovery thereof; or patented or described in any  
printed publication in any country before our invention or discovery thereof for more  
than one year prior to this application; or in public use or on sale in the United States  
more than one year prior to this application; that said invention or discovery has not  
been patented or made the subject of an inventor's certificate in any country foreign to  
the United States prior to the date of this application filed by us or our legal  
representative or assignee more than six months before our application in this country;  
and that no application for patent or inventor's certificate on this invention or discovery  
has been filed by us or our representative or assignee in any country foreign to the  
United States except as identified below:
